We invite all persons back into worship on Sunday mornings at our 10:30 a.m. service in Room 4 of the Wilde Lake Interfaith Center. We hope you have been able to receive all COVID vaccinations and boosters, and will assist you in doing so, if you wish. Guests are welcome to participate fully in the worship service prayers and singing. When COVID positivity rates and hospitalizations are increasing, we strongly encourage you to wear a mask and safely distance yourself at your comfort level.

However, we ask that you stay home and worship with us virtually via our livestream broadcast at <https://wildelakecenter.org/streaming-now/> if you or a member of your household:

- have any [symptoms](#) of COVID-19, such as fever, cough, loss of smell, shortness of breath;
- are awaiting COVID-19 test results;
- have tested positive for COVID-19 in the last 10 days; or
- have had [close contact](#) with a person who has tested positive for, or who has symptoms of, COVID-19 within the past 10 days.

We ask that if you have traveled where the COVID positivity rate is 10% or greater, you refrain from in-person worship for 5 days and/or have a negative rapid test result before returning to in-person events, regardless of the Maryland or Howard County COVID positivity rate. We recommend double masking or using the KN95 or N95 masks.

As of 2/16/23, the COVID-19 positivity rate for Howard County is 9.9%.

LENTEN PRACTICE FOR THE WHOLE FAMILY

During Lent, many of us are reminded once again to examine our lifestyles and ask, "What can we do for others?" Part of faith formation at any age is compassion and offering a serving heart to our neighbors.

Lent is a good time to commit to giving money to a project that helps those in need. One way to involve the whole family is to collect coins during the season of Lent and then following Easter, donate the money. Follow our [Coins for Lent Giving Calendar](#) as a guide. Determine who you will give your coins to and be prepared to share who you chose to bless with your generous Lenten practice, why you chose them, and what it means to you and to them.

These items may remain outside for a day or more creating problems with spoilage and contamination of other items placed in the totes.

Please do not leave home-made food items in the collection totes. Food items that are not properly packaged and placed in the closed totes may be consumed by animals.

Financial contributions are welcome by CCC and may be made directly through the CCC Facebook site or at <http://columbiacare.org>

The Columbia Community Care always needs volunteers to assist in distributing materials at the three pantries. Volunteers can assist in setting up the sites, sorting and working at distribution tables, or breaking down the site. See the CCC Facebook site for more information on how to volunteer.

Thanks to all for your generosity! Regards, Brad and Margaret Hunt
