**A Time With SJU Leadership for
Connection and Conversation
and Commitment to Action**

On Saturday, September 9th, SJU leadership invites you to a time of connection and conversation over brunch. We will consider the results of our Congregational Assessment Tool (see the Executive Summary) and hear your interests and commitment to our next steps. God is calling SJU to reengage with one another and our neighbors to be the church here and now!

We will need to change the way we do some things and every member will have a part in the new way of being the church. We have said that this post-pandemic time is not just a re-entry, but a re-launch of the church! The good news is God is with us, and has given us very capable leadership on our Church Council. Every one of us can pray and consider where to offer ourselves in the areas of worship, spiritual growth and service to one another.

Please join us! RSVP by **Tuesday, September 5th** at sjucevents@gmail.com

You can send your questions to the same email address.

With hope in what God can do,

Debbie Parker
